

Midwife – Postnatal and/or Delivery

Sydney Metropolitan Region, NSW

If you are a Midwife and have at least two years' experience working in as a Midwife, Access Nursing Agency has ongoing casual agency work available in the Sydney metropolitan region.

All placements are with Private Hospitals working in Postnatal and/or Delivery Suite.

If you wish to work in Delivery Suite, we will organise an orientation for you with the appropriate hospital. You will also be working as a second person unless advised otherwise.

The agency has agreed insurance terms with our client hospitals. Our insurance policy insures the agency and midwives for work in both Postnatal and Delivery Suite.

Applicants must have a valid work visa and current AHPRA Registration. Your immunisation record must be fully compliant with NSW Health standards. Applicants should also hold a Police Check that is no more than three years old and have a valid Working with Children Check for paid work.

Please forward your CV to the Agency via our website and if your experience and qualifications match our requirements, we will contact you for a further discussion about this opportunity.

Please note the availability of work varies from week to week and you will be a casual employee not full time or part time.
